Sir:

Attached is Form PTO-1449 listing the enclosed documents. They were first cited in a supplementary European search report mailed June 10, 2008 by the European Patent Office in counterpart Appln. No. 03799306.0 not more than three months ago. Therefore, the undersigned certifies under 37 CFR § 1.97(e):

"That each item of information contained in the information disclosure statement was first cited in any (sic) communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement."

The fee set forth in 37 CFR § 1.17(p) is also enclosed. Both certification and the fee are required because a final Office Action was mailed August 7, 2008.

The search report also cites WO 01/56532 and Liu et al. (Circulation 107:1791-1796, 2003), but those documents are not enclosed or listed on the Form PTO-1449
